Friday 16th December

(Matches commence at 10.30am)
Final round of cricket matches as per Monday. Finale dinner and Awards evening at International House.

Saturday 17th December

Teams check out of accommodation.

Testimonials from the 2015 World Schools Cricket Challenge

St Andrew's College has participated in the World Series Cricket Challenge for the past 2 years in the Development Grade.

It is an outstanding concept, played on top class facilities, very professionally run and an outstanding opportunity for boys to be challenged and develop their cricket. Not only have the boys and parents enjoyed the experience but the key component has been the interaction with the visiting teams and developing life long friendships. It is a tournament I would highly recommend to any team wishing to participate.

Mike Johnston - Head of Cricket, St Andrews College, New Zealand

"It was a great experience for me and my team to participate in World Schools Cricket Challenge 2015. The venues, programs, tours of the tournament and obviously the hospitality of the organizers are unforgettable. WSCC is a big platform for the school cricketers who come from around the world to improve their cricket skills and to exchange their respective cultures. WSCC is a meeting place for the world's young cricketers irrespective of religion, skin color or nationality, with cricket as the common denominator"

Alok Das - Scholastica, Dhaka, Bangladesh

WSCC Packages • Accommodation options and prices

See our website www.govsl/schools/cricket.com for all your accommodation options.

- All teams are required to take a package.
- Prices for students for an accommodation package start from AUD \$1,195 per person

- Four games of 50 over cricket with umpires and balls supplied
- Team photo

All packages exclude:

- Flights and transport to Melbourne
- Personal insurances
- Personal expenses
- Meals except as listed

INTERNATIONAL HOUSE

Teams from the 2015 WSCC highly recommended International House as an accommodation choice for players and teachers. For value and convenience it is an outstanding choice.

International House College at the University of Melbourne is situated on Royal Parade, Parkville 15 minutes north of Melbourne's CBD.

Accommodation is in single rooms with shared bathroom facilities. All towels and linen are supplied and breakfast is included. Coin operated laundries are located on the ground floors of most buildings. Evening meals are not included but can be prebooked. A three course meal there is incredible value. Modern western, Asian and vegetarian meals are all offered, with much effort being made to accommodate different culinary tastes.

Open to any school team around the world

Two grades - 1st XI and Development grade (16 years and under)

The objectives of the Challenge are:

- To give school cricketers an opportunity to take part in a quality tournament against international teams.
- To encourage participation and development of cricket within high schools and the educational system.
- To provide a solid base for young cricketers to plan their cricketing future.
- To provide educational opportunities and experiences for students with an interest in cricket.
- To promote the enjoyment and qualities of cricket as a recreational alternative for students regardless of their cricketing abilities.
- To promote the traditional values of cricket in attractive cricketing and educational destinations.

HAILEYBURY HOST SCHOOL

Haileybury is delighted to support VSL Events in running the third World Schools Cricket Challenge.

The first WSCC gives students from diverse cultural and cricket backgrounds the opportunity to play against each other. The games are keenly contested and played in good spirit.

VSL do an outstanding job in organising and managing the programme. I am confident that the third WSCC will be bigger, more exciting and provide an even stronger level of cricket than the previous two.

I hope your school can make it.

Yours Sincerely

*Derek Scott
Principal*
